RE: Request for real and personal property tax exemption for non-profit organization

Angioma Alliance is a non-profit voluntary health organization organized as a corporation that provides information and support to patients affected by cavernous angioma of the brain and spine. We are organized as a non-profit, non-member corporation and our tangible property is used for charitable and benevolent purposes. We operate a website, organize family conferences, provide educational material to physicians and patients, and promote research. We do not discriminate on the basis of religion, race, color, sex, sexual orientation, disability, or national origin. Our Federal Tax ID number is 02-0600697. We would like to request exemption from both real and personal property tax.

According to tax code 58.1-3651 Subsection B we must meet certain criteria:

1. Angioma Alliance is exempt from federal taxation pursuant to 501(c)3 of the Internal Revenue Code of 1954. Our determination letter is attached.
2. We do not have an annual alcoholic beverage license.
3. We have no paid directors, officers, or employees. Volunteers are reimbursed for direct expenses only.
4. Our earnings do not inure to a particular individual. Our income is entirely from public donations and special events. In tax year 2003, our total income was \$10,278. We have been found to be in compliance with the Virginia charitable organization registration requirements (attached.)
5. We serve both the US and international population of those affected by cavernous angioma of the brain and spine. We are the only organization in the world that provides education and support to those affected by this particular illness.
6. We do not engage in activities that attempt to influence legislation. We do not participate in political campaigns.
7. Our tax bill for 2003 was \$37.80 and was based on property assessed at approximately \$945. We were assessed for a personal computer that the organization does not own, but is owned and used by a volunteer director. The organization itself did not own any tangible property in tax year 2003. In tax year 2004, we have purchased \$1523 worth of tangible property – an LCD projector, a credit card processing terminal, and a tabletop display for exhibits. We do not expect any other expenditure for capital equipment during this tax year. We do not own any real property at this time.

We would like to thank you for your consideration in this matter.

Sincerely,

Cornelia Lee, Psy.D.
President

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make
